Â **Configure Your 5.9 Shop Management to Email Attachments** pdfFactory installs as another printer option allowing Manager/Manager Plus or Service Writer / ShopKey Management users to email Estimates, Revisions, Invoices or any Reports to their customers. It can be assigned to either the Print or Fax buttons in the software. UPDATE February 2012: See the updated documentation: Â [PDF Factory Install](#) Â

*NOTE: Be advised that our newer SE 6.5 shop management software includes integrated email functions that work with email client (Outlook, etc) programs.*
