

Shop Mgmt Keyboard Shortcuts SE 6.x

Article Number: 239 | Rating: Unrated | Last Updated: Mon, Jul 20, 2015 at 12:58 PM

Attached is a document ([shortcuts_se.pdf](#) - **download link below**) **that displays all of the keyboard shortcuts per screen in the shop management software. It applies to the newer 6.x SE versions. It is organized by 'Common to Most Screens' followed by Work-In-Progress, Customer, Vehicle, Order, Revision and History screens.**

ADDED August 28th, 2011

NOTE: If your accelerator keys are not currently underlined, instructions are included to change your Windows appearance settings to make the underlining always visible.
