

'Un-Sell' (Reverse) a Revision

Article Number: 271 | Rating: 4.3/5 from 3 votes | Last Updated: Thu, Mar 7, 2013 at 12:04 PM

If you have to "un-sell" a job, just highlight all the line items transferred from the Revision, click on 'Edit' then select 'Cut'. Open a blank Revision and click 'Edit' once more, then select 'Paste' to copy all of those lines back into a Revision slot for a future sale.
