DIFFERENT PDF WRITERS FOR USE WITH MANAGER PROGRAMS. Versions Affected:

Manager/Manager Plus, Shopkey Service Writer/Management (all versions). Â NOTE:Tech Support cannot assist with questions regarding configuring or installing these third-party programs; it is up to the user to possess the skills required or to secure this expertise locally. Â CutePDF ----Free (Easy to Install)Requires two downloads, as most writers do, the writer and the converter (Both Free)

<http://www.cutepdf.com/Products/CutePDF/writer.asp> Â BullZip PDF Printer ----- Free (Medium Difficulty to Install - Mainly due to poor Installation Instructions) Allows for Commercial use without advertising the s/w on the document.

This program is FREEWARE with limitations, which means that it is FREE for personal and commercial use up to 10 users. It does not contain any advertising or popups. For commercial applications with more than 10 users there is a commercial version of the product available atbiopdf.com.

<http://www.bullzip.com/products/pdf/info.php> Â PDF Factory--- Free (not tested yet) Has Citrix/Terminal server making it easy and affordable to create professional quality documents. PDF999 supports network file saving, shared printing, Citrix/Terminal Server, custom page sizes and large format printing. The printer driver works with any postscript to PDF converter. The pdf995 printer driver and a free Converter are available for easy download at <http://www.pdf995.com>.
