

## Posted Order Report Totals Higher Than Totals On Cash Receipts Report

Article Number: 44 | Rating: Unrated | Last Updated: Wed, Jun 11, 2008 at 1:14 PM

When you post an invoice with a current balance, the invoice will be posted as a Charge and will appear on the Posted Order Report. Since you have not collected any form of payment for that invoice, it will not appear on the Cash Receipts Report. That is why the totals on the Posted Order Report may be higher than the totals on the Cash Receipts Report.
