

Shop Management SE Mail Merge

Article Number: 651 | Rating: 2/5 from 1 votes | Last Updated: Tue, Aug 25, 2015 at 10:50 AM

The attached document shows the step-by-step process to generate a file within Manager SE 6.x to be used during a Mail Merge process. Word 2010 is used throughout this example. A brief overview of the steps for Mail Merge on the Word side are also included. NOTE: Tech Support cannot assist with questions regarding configuring or installing these third-party programs; it is up to the user to possess the skills required or to secure this expertise locally.
