

Keeping your Browser Updated for Mobile Web Sites

Article Number: 755 | Rating: 5/5 from 1 votes | Last Updated: Thu, Jan 22, 2015 at 8:15 AM

When viewing our websites on a mobile platform, it is important to keep your browsing application up-to-date as we continually leverage new technologies and features. See the attached document for how to do this for both iOS and Android devices.Â
