## 1stMILE

Integrated Payment Management

# 1stMILE

## Supercharge your point of sale system with a fully integrated payment management software

1stMILE is an automotive payment management software that can seamlessly integrate into your **Manager™ SE** shop management system.

In addition to all major credit cards, 1stMILE allows you to accept leading retail finance cards and have access to 10 million fleet card users at no additional cost. You can also offer your customers an array of financing options to meet all credit levels and ticket sizes, while still offering very reasonable rates and conditions.

This leading integrated automotive payment management solution will help you retain customers and increase repair orders, to grow your auto repair business for the long term. 1stMILE integrates with Manager SE version 7.0.18 and newer.

### More Repair Orders, More Revenue

- ▶ Grow revenue by accepting automotive finance cards, such as Goodyear, Bridgestone/Firestone, Synchrony (approval required), Big O and Bosch service cards
- ▶ Accept fleet cards (Voyager, WEX, Fuelman, FleetOne, MasterCard Fleet, and Visa Fleet) and open yourself up to the fleet market
- ▶ Zero markup of interchange rates and decreasing downgrades create large savings
- ▶ Next day funding on all card types

### Simplify Your Business

- ▶ Signature and receipt printed right on the invoice
- ▶ Signature capture, stored accounts on file (Tokenization) and EMV
- ▶ Processing on multiple workstations
- ▶ PCI compliance program
- ▶ No markups, cancellation fees or long-term contracts

### Leader In Repair Finance Programs

- ▶ Fully Integrated with 1stMILE
- ▶ Provides multiple alternatives to automotive finance card turndowns and credit limits
- ▶ Drive more transactions, provide more options, retain more customers
- ▶ Loans from \$350-\$7500, 12 months to 36 months
- ▶ Quick credit decisions
