ProDemand Mobile

Repair Information on the Move

With ProDemand® Mobile, you can now access OEM and expert-based repair information right at the vehicle – where you need it most. All the repair, diagnostic and maintenance information in ProDemand is optimized specifically for tablets*, making it easy to retrieve and view the content anywhere you work on vehicles. You'll find all the features you expect from a mobile device – like swipe, scroll, drag and pinch touchscreen gestures. ProDemand Mobile is included with your ProDemand subscription at no additional charge and is compatible with both Android and Apple tablets.

“ProDemand Mobile gives technicians another way to improve efficiency in a busy shop environment.”

*Best viewed on tablets with a seven-inch or larger size screen
