Website Services

A business website is at the center of successful marketing efforts and is perhaps the most important tool you have to bring in new and repeat business. If your shop doesn't have a website or if the website is out of date, you are missing out on potential business. How will consumers find you when they're looking for auto repair services?

Mitchell 1's SocialCRM marketing service provides automotive repair shops a cost-effective solution for designing, managing and maintaining a professional business website. Our SocialCRM support team will help build an expertly-designed website that ensures your shop's brand is consistent across all of your marketing efforts. They'll also make sure your website content is up to date and optimized for search engines so prospective customers can find you quickly. Just provide us with your business information and we'll do the rest.

Website Services include:

- ▶ 4 website templates to choose from
- ▶ 5-page website layout
- ▶ Unlimited color scheme options
- ▶ SureCritic badge
- ▶ Appointment Request
- ▶ SureCritic testimonials
- ▶ Social media
 - ▷ Facebook
 - ▷ Google +
- ▶ Search Engine visibility strategies
- ▶ Ongoing support
