

# Turbocharge Shop Efficiency

**MANAGER SE**

**MANAGE**

# ***The #1 Trusted Shop Management Software***

Manager™ SE gives you a 360-degree view of your shop, helping you manage operations, streamline repairs, and deliver personalized customer service. With over 20 years of innovation, it combines fast estimates, smart scheduling, real-time updates, and powerful reporting — all designed to keep your business running smoothly and uncover new opportunities to grow.

**✚ RUN YOUR BUSINESS AT MAXIMUM EFFICIENCY.**

# Clarity Delivered

## SIMPLIFY ESTIMATES

## TRACK JOBS BETTER

## APPLY DISCOUNTS

**With Job View, it's easier than ever to stay organized, produce clear, professional estimates and invoices, and secure faster approvals.**

# Why Choose Manager SE?

Manager™ SE sets the standard for shop management solutions, providing a comprehensive suite of productivity tools to help you operate your business more efficiently and profitably:

## FAST, ACCURATE ESTIMATES

### Quote with Confidence

Quickly build accurate, profitable estimates using real-time parts and labor estimating tools.

## REVISION CONTROL

### Keep Work Organized and Scalable

Easily update, track and manage repair orders over time, so you never lose sight of changes, approvals or technician notes.

## SMART PARTS PURCHASING

### More Vendors. Fewer Clicks.

Quickly find and order the right parts in real-time from the widest selection of eCatalogs – all on one screen – from top aftermarket parts vendors

## REPORTING POWERHOUSE

### 180+ Reports to Drive Smarter Decisions

Access comprehensive reports to track shop performance, sales trends, customer/vehicle history and more – all at your fingertips

## CHECK PROFIT FIRST

### See the Margin Before You Commit

Instantly confirm profitability of each job while quoting, so you can make smarter decisions before starting the work

## DRAG & DROP SCHEDULER

### Flexible, Visual, Effortless

Easily schedule customer appointments and assign jobs with a visual scheduler that helps maximize resources and keep the shop floor running smoothly.

## INTERACTIVE WORK-IN-PROGRESS

### Total Visibility, Always in View

See all active jobs in a single dashboard to prioritize work, avoid delays and keep your team aligned.

## TIME MANAGER

### Real-Time Tracking That Works for You

Automatically track technician hours and employee timecards to improve accountability, efficiency and payroll accuracy – with real-time visibility into job performance.

“**Manager SE is a perfect 10 in my book. It keeps my shop running like clockwork.**

– Fred | Owner, Fair Auto & Smog San Diego, California

## SHOP MANAGEMENT FORUM
